This is being filed in response to a letter from the FEC dated July 17, 2016 inquiring about an entry on Schedule A supporting Line 15 for the Monthly Report for the period from May 1, 2016 to May 31, 2016 disclosing an offset to operating expenditure(s) totaling \$10,000 from Club For Growth Action. As noted in a memo text to the originally filed report, this amount was received as a reimbursement to the committee for a portion of the production cost of an ad originally run by the committee that Club For Growth Action wanted to run under its own name.
